

Donation Request Form

Strathmore Artist Papers™ takes pride in being a responsible corporate citizen and supports the local community in which we live and operate. In addition, as an artist paper manufacturer, our prime mission is to develop and support the core group of consumers of our product: the art community. We recognize that there are many worthy causes that require assistance but due to the vast number of requests that we receive we must be selective both as to type of support and to whom.

Art Societies, Guilds and Associations that are sponsoring a public showing of art or a contest may request material rewards by sending this completed form to:

Strathmore Artist Papers
Donations Coordinator
2525 N. Casaloma Dr.
Appleton, WI 54913

Please realize that our donations budget is limited and we may not be able to support every group, every year.
